

LO: To work in a small group to make a puppet and create a traditional story for Story Land.
I can talk in a group
I can make a puppet
I can use ideas from a range of traditional stories

The Dragons Group

Once upon a time Elsa was having a little walk to a river for a picnic. She had some donuts and a sausage roll in a basket. Then she saw two little bad gingerbread men. The King gingerbread man ran away with the basket of snacks! The other gingerbread man made sure she didn't follow him.

Elsa was sad. The fairy comes and sees if shes okay. The fairy is going to make her happy and she is going to do a magic trick. Then a bumble bee flies to Elsa and makes her happy. Elsa loves bumble bees except if they sting her.

The gingerbread men get to the river and steal the mermaid!
They take her into the bad fishes pond.

Elsa, the bumble bee and the fairy scoop out the mermaid with a net but the bad fishes break the net with their sharp teeth!

The fairy uses her magic wand to rescue the mermaid. They put the gingerbread men in a cage and they live happily every after.
The End.
