The Dragon Group

Once upon a time there were two gingerbread men and they lived next door to Little Red Riding Hood. One day they went for a visit to Little Red Riding Hoods house. They had made tea, cakes and biscuits to share.

The big bad wolf was hiding in the forest behind the gingerbread men's house. He was watching closely with his big eyes and his sharp claws. He was hungry.

The wolf tiptoed to the door and knocked. "Let me in" he said. Cinderella was looking out from her castle door when she saw the wolf. She quickly got her magic wand and said "iglydy, bigldy zat! And turned the wolf into a cat!

Little red riding hood opened the door and saw a grey cat meowing and she picked it up, gave it a cuddle and took it in for tea.

The end.
