The Gingerbread Men Group

Once upon a time there was a big bad wolf in a dark scary forest. Two gingerbread men were walking in a meadow when they saw a pig who was picking some flowers to go in his new house. "Hello, would you like to come to the cinema with us?" "Yes please" said the pig.

The three friends walked to the edge of the meadow until they reached the dark scary forest. They heard a noise of a wolf "owwwwww". The friends ran and ran as fast as they could but instead of seeing the wolf, a nasty monster started to chase them.

Suddenly, a witch sprang out from behind a tree, held up her wand and said "Pow all of you be a frog"
The nasty monster turned green and slimy and hopped away.
The wolf and witch asked if they could go to the cinema too.

They ate sweets and popcorn and enjoyed zootropilis 2.

The end.
