LO: I can orally tell a story using a traditional tale's puppet.

The Pig Group

Once upon a time there was a little wolf and the pigs decided they wanted to play with the wolf and wanted a cuddle, but the wolf didn't want to play with the pigs. So the pigs gave the wolf some pop corn and asked him to invite the two gingerbread men to the party.

The gingerbread men walked off to the party and met Cinderella. "Please come to our party with the pigs and the wolf"

"Thank you, but I need to clean the trolls bridge and the castle first because they want to be happy." Said Cinderella.

The troll was under his bridge when Cinderella arrived to clean. The troll climbed onto the bridge to say hello to Cinderella. She told him all about the party and they all set off to the pigs house to eat chicken.

The end.
