LO: I can orally tell a story using a traditional tale's puppet.

The Wolf Group

Once upon a time Merida ran out of her castle to find her mum and dad. Goldilocks was busy picking some flowers to give to the three bears to say sorry for eating their porridge. Suddenly Merida came round the corner firing her bow and arrow and nearly hit Goldilocks.

"Stop, that nearly hit me, I'm collecting flowers for the three bears"

"sorry" she said just as the gingerbread man ran past super-fast. "You can't me I'm the gingerbread man"

The fox was chasing the gingerbread man. Merida got her bow and arrow and held it up ready to fire at the fox but the fox ran away. Merida carried on looking for her mum and Dad and stopped at Cinderella's castle to see if they were there.

Cinderella was busy cleaning the castle and making sure everyone had a cup of tea and cake.

Merida was pleased to see that her mum and dad were busy eating cake and drinking tea.

The end.
