The Dragons

Once upon a time Cinderella was playing games in the tallest tower of a castle, all by herself. Her mean sisters had told her she must play there. She was so sad because she wanted a friend. She tried to play with the dragon who lived in the tower but he kept setting fire to everything when he breathed. Cinderella began to cry. Suddenly, a Fairy Godmother appeared and gave her a wish! Cinderella said "I wish I had a friend to play with". The Fairy Godmother waved her magic wand and tapped a frog three times and Cinderella's friend Ariel appeared! Cinderella was so happy and they played happily for the rest of the day together.
