

LO: To work in a small group to make a puppet and create a traditional story for Story Land.
I can talk in a group
I can make a puppet
I can use ideas from a range of traditional stories

The Pigs group

Once upon a time Rapunzel was walking through the forest to her friend Little Red Riding Hood's house. The forest was dark, spooky and there were lots of very tall trees. First of all they walked past a castle and suddenly a Fairy Godmother appeared and gave Rapunzel a wish. "I wish I had a lamp to see my way through the forest". Next Rapunzel met another Fairy Godmother who also gave her a wish. "I wish I had a friend to walk with". Then her friend the Mermaid appeared! Finally a third Fairy Godmother appeared and gave Rapunzel another wish. "I wish we had a golden carriage to ride in". Rapunzel and the mermaid rode in the golden carriage all the way to Red Riding Hood's house. When they got there, they all played together and had a party.

The End
