

LO: To work in a small group to make a puppet and create a traditional story for Story Land.
I can talk in a group
I can make a puppet
I can use ideas from a range of traditional stories

The Wolves group

Once upon a time there lived two beautiful princesses named Rapunzel and Cinderella. One day they were playing at the top of a very tall tower when suddenly they heard their friend Caein Frog calling them. "Come down and play with me!". Cinerdella's nasty sisters told the princesses that they could not leave the tower. Frog had an idea. He called to his friend the Troll and they began to make a plan. The Troll trapped the nasty sisters in a trap and Rapunzel and Cinderella ran out of the tower. All of a sudden, a Fairy Godmother appeared. "I will give one wish". Cinderella and Rapunzel wished that the sisters were trapped for evermore. Everyone played together and they all lived happily ever after.

The End
