

LO: To work in a small group to make a puppet and create a traditional story for Story Land.
I can talk in a group
I can make a puppet
I can use ideas from a range of traditional stories

The Gingerbread men group

Once upon a time there lived a princess called Ewan. One day he was playing happily on a bridge near the castle. Suddenly an angry troll appeared and roared "Get off my bridge!". Princess Ewan was scared and he ran all the way back to the castle. The next day, he went back to the bridge but this time, there were TWO trolls! "This is our bridge!" they shouted. Again, Princess Ewan ran all the way back to the castle, crying. On the way, she met two friends Wolfy and Finley. They were very cross that the trolls had made their friend cry, Wolfy and Finley went to the bridge and waited for the trolls to come out. They howled their loudest and scariest howls, and the trolls ran away crying. Finally, they fell in the river, floated away to sea and they were never seen again.

The end

The End
