

Summer: Week 1

Sequencing Activities

Discuss your child's daily routine with them. Talk about the order of events when they get ready for nursery in the morning. Discuss the things they do when they get ready for bed. Use words such as first, then, next. Make up silly scenarios e.g. should I put my shoes on before my socks? Why? Why not?

Bake together. Follow a recipe and talk about the different steps and the order that they complete them in.

At story time, recall the main events from the story. Ask "What happened at the beginning of the story? Then, what happened? What happened at the end of the story? You could also sing nursery rhymes and pick out 3 or 4 key events and see if your child can put them in the correct order.
