Reference – Parent governor vacancy

Dear parents and carers

We currently have two vacancies for parent governors on our school's governing body. Earlier this year, we invited expressions of interest from parents and carers, but unfortunately, no parents came forward and we were unable to fill the positions at that time.

Next month, we will be reopening the opportunity for parents and carers to join our governing body. In preparation, we would like to offer some advance notice to allow those who may be interested time to consider this rewarding role.

To support this, our governing body is offering an informal and friendly opportunity to meet with current members, learn more about the role, and ask any questions you may have. If you would like to register your interest in attending a fact-finding meeting, please use the link below to provide your details. A member of the governing body will then be in touch to arrange a suitable time.

We hope you will consider this opportunity to contribute to the continued success of our school

Regards

Mr. R. Averis
Headteacher

Mrs. P Atkinson Gregory
Chair of governors
