Tuesday 9th November

Dear Parents/Carers,

Children in Need - Friday 19th November

Children in Need is fast approaching and so I would like to share our exciting plans for this fundraising event with you. The theme of this year's event is **Together, we can change young lives** and once again we would like to support this cause in a number of ways. Last year you raised over £900 to help children across the UK so let's see if we can beat that total this year.

Non-uniform Day

We will be holding a **Non-uniform day on Friday 19th November**, in exchange for a small donation following the instructions below.

Earning their own money

In order to make the children feel like **they** have really contributed to this event, we would like to ask for your support in helping your child to earn some money to use for their donation. Maybe they could do a few jobs around the house to earn a small amount of money? We really want the children to 'earn' their contribution by tidying their bedroom, drying up, sweeping or hoovering the floor, rather than being 'given' some money by a generous parent or carer. This was really successful last year and so we would like to repeat it again this year.

RunPudsey Challenge (2k)

I have signed our school up for the RunPudsey Challenge – a 2k run – and you are invited to sign your child up for this sponsorship event if you would like to. Entry is completely optional and is FREE for every pupil and every child who raises more than £10 will receive this year's medal - all medals will be sent after 3rd December 2021. Sponsorship is raised via an individual online donation page given during every child's sign up which can be accessed using the following link <https://register.donr.com/runpudseyschools> or can be accessed via our courageous advocacy page on our website. Once you have accessed this link you will need to select our school using the drop down menu and follow the instructions provided.

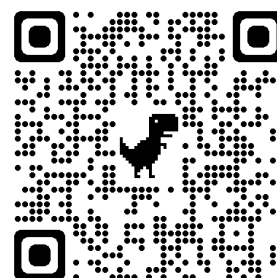

All children will have fun completing their 2k run during the school day on Friday 19th November.

How to donate

This year's donations can be made via our **Just Giving** page, as it was successful last year and meant that no money needed to be handled at school. Therefore, no cash will need to be brought into school at all. You can type in your own individual donation amount on this page.

To make your donation to Children in Need, please click on the link below or scan the QR code:

Thank you for your continued support for such a worthwhile cause, and let's join together once more to make a difference to children across the UK.

Happy fundraising!

Mrs Carvell
Deputy Headteacher
