Reference: Zoo Lab

24th January 2025

Dear Parents and Carers of Reception children,

One of our projects in the Spring term is '**Dangerous Dinosaurs**', we will be learning about the different types of dinosaurs, what they ate, how they looked, comparing their habitats and that other reptiles, such as turtles and crocodiles, were alive at the same time as dinosaurs, as well as insects and fish. This will be an exciting project!

On **Tuesday 4th March 2025, Zoo Lab** will be bringing a variety of animals to school, including reptiles for us to learn about and hold.

As we are sure you are aware, school budgets are very tight and therefore, for this experience to take place, we are asking for a contribution of £5.90 per child.

Payments should be made on ParentPay. When you log into your ParentPay account, you will find a payment item specifically for this experience where you can complete the consent, enter some additional information that we need and pay your contribution. If you need any help, please don't hesitate to contact the school office. Please pay £5.90 on Parent Pay by **Monday 3rd February**.

Kind regards,

Mrs Richardson
(EYFS Lead/Senior teacher)

Mrs Wojcik
(Teacher)
