24th January 2025

Dear Parents and Carers of Nursery children,

One of our projects in the Spring term is 'Ready Steady, Grow!', we will be learning about life on a farm growing different plants and vegetables and the animals that they care for. We will also be exploring where our food comes from and how it gets to the supermarket. This will be an exciting project!

On **Tuesday 4th March 2025, Zoo Lab** will be bringing a variety of animals to school, including reptiles for us to learn about and hold.

I am sure you are all aware that school budgets are very tight and that it is necessary to ask for funding for extra-curricular visits. We do try to keep costs to a minimum and aim to provide real value for money. Our records show that your child is in receipt of free school meals. To help with this contribution we have used our pupil premium money to reduce the costs for your child by 75%. This means that on this occasion we would ask for a contribution of £1.50 per child.

Payments should be made on ParentPay. When you log into your ParentPay account, you will find a payment item specifically for this experience where you can complete the consent, enter some additional information that we need and pay your contribution. If you need any help, please don't hesitate to contact the school office. Please pay £1.50 on Parent Pay by **Monday 3rd February**.

Kind regards,

Mrs Richardson
(EYFS Lead/Senior teacher)

Mrs Gallen
(Teacher)
