

Starry Night

Our project next half term is

‘Starry Night’

We would like to start our project with a night time treasure hunt! We are inviting you to come back to school on **Tuesday 7th January at 5:00-5:45pm** with your adult to explore the school grounds at night time! Adults will need to stay with their children to accompany them on the walk.

We will be looking at the stars and the moon, listening for night time animals and using torches to find hidden treasures using secret clues!

We would like you to bring your own torch and outdoor shoes in case it is muddy! The event will be postponed if it is raining and then rearranged. Please enter through the side gate at the car park and wait on the playground.

We can't wait to see you!

Thank you for your support

Mrs Richardson and Mrs Wojcik
