

End of the school day pick up points

- At the end of the day reception and infant children will be brought out by their teachers to be collected by parents at the points shown on the map.
- Junior children will leave their classrooms without their teachers and are encouraged to meet adults at the front of school.
- For the first week year 3 children will be brought out by their teachers to help establish routines.
- Children are all told to come straight back to school if there is a pick up problem where staff will help them.

School gate, a member of staff will be here every morning and afternoon.

Reception children pick up point
