

Friday 6th March

Dear Parents/Carers,

**Comic Relief: Red Nose Day
Friday 20th March 2026**

It's almost time to support and celebrate Red Nose Day - the big annual charity event organised by Comic Relief.

This year, we will be joining the rest of the UK in having fun and raising money around the theme of 'Do something funny for Money'. We want to support Comic Relief in their mission to support those in need during the current living crisis, focusing on issues like lack of food and homelessness.

Here are the different ways we are going to celebrate Red Nose Day this year:

Dress 'red-to-toe'

We would like to invite children to wear non-uniform '**red-to-toe**' in exchange for a minimum voluntary contribution of 50p (**if you would like to give a larger donation you are welcome to do so**).

It is important for the children to 'earn' any money that they can donate. Please support this by asking your child to do a small pocket money job at home before giving them any voluntary contributions. With children earning their donations we hope they feel more involved in supporting others less fortunate than ourselves and help you in the process.

Lesson activities

This may include learning resources such as an assembly, a booklet, fun PE or a puzzle/quiz to learn more about the fundraising for this charity event and how this helps others while having fun.

Laugh out Loud Competition

Finally, to celebrate the power that laughter has in our lives, we will be holding a whole-school **joke competition!** Children can submit their favourite joke to their teacher which they will then share with their class. An entry form will be available from the library and must be submitted to their class teacher by Thursday 19th March.

Your help vetting these jokes will be greatly appreciated!

Please note this year's fundraising will not include a cake sale.

We hope that this event brings the whole school community together to raise money and have lots of fun!

Thank you for your support.
