Re: Temporary school road Closure Order

Dear Neighbour

Following the success of the closure of Laund Nook on the 20th June, you may already be aware that we are pleased to be working with the Local Authority in supporting the Safer Streets initiative on all four Wednesdays in March. This means that for every Wednesday in March we will be working with our school community to help reduce the number of cars near school with a temporary road closure on parts of Laund Nook. This closure will only impact parental traffic, not impact residents, who can still use the road.

The road will be closed in the same locations and for the same traffic that it was closed for in June 2024. The map below shows where the road will be closed and the times it will be closed.

AM road closure time	PM road closure time
8.30am to 9.15am	3.00pm to 3.45pm

Residents will be allowed full access but are requested to drive at walking speed when within the closure area. It is not necessary to move parked vehicles from the street. The closure will be under adult supervision and access will be maintained at all times in all parts of the street for eligible vehicles which include:

- residents living on the road,
- visitors to residents' properties (including carers),
- disabled & Blue Badge holders
- Emergency Services,
- Taxis
- statutory public services such as gas/electricity companies,
- refuse collectors,
- postal service providers and deliveries, such as the Royal Mail and supermarkets
- breakdown and recovery vehicles, and
- any vehicle with special arrangements made by the School (ie school staff).

Please direct any queries or concerns regarding this by using the contact form on our website, scan the QR code on the right, go to www.stjohnsbelper.co.uk/safer-streets/ or contact school. If I cannot resolve your concern, I will refer it to Derbyshire County Council's sustainable travel team scheme.

Yours sincerely

Mr. R. Averis - Headteacher
