

Autumn Term 2023 Attendance Monitoring

At St John's we are proud of our overall outcomes for attendance which is achieved by working closely with you and by monitoring, evaluating and analysing attendance weekly, half-termly, termly and annually.

We have high expectations as we recognise the importance of good attendance as the essential foundation to positive outcomes and benefits for all pupils which includes attainment, progress, wellbeing, and wider opportunities and responsibilities.

You can view our policy on the school website or by clicking the link below.

[Attendance and Exceptional Leave of Absence Policy](#)

The Autumn Term Attendance analysis has now been completed for all children. If your child's attendance is below the expectations, without a known authorised/medical period of absence, you will receive a letter next week so that we can work together to ensure that positive progress and at least good attendance is achieved.

Monitoring and support	
100% attendance	Excellent
95% - 99% attendance	Good
90% - 94% attendance	Poor attendance - concern
Below 90% attendance	Serious concern

Thank you for your continued support.

Monitoring attendance data is a key expectation of all schools. All schools have a continuing responsibility to proactively manage and improve attendance across their school community.

Working together to improve school attendance guidance, DfE.
