

How to log in to Google Classroom

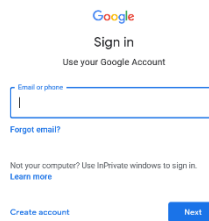

You will need access to a device that is connected to the internet – this can include a phone, iPad, laptop or computer.

1. Open a web browser.
2. Type in 'classroom.google.com'
3. If it's your first time logging on, this page might pop up. Click

[Go to Classroom](#)

4. You will then need to sign in.

This is your username to log onto computers and chrome books **in school**.
