

Term	Nursery	
Autumn 1	Let's Explore This project teaches children about the different environments that they share with others, including their homes, the school and places in their locality.	
	Build It Up This mini project teaches children about different structures and buildings that they can find in the world around them and gives them opportunities to work in groups to create exciting structures.	
Autumn 2	Marvellous Machines This interest-led project teaches children about the important technology that is part of their daily lives and how machines help us. The project gives them the opportunity to build and create marvellous machines.	
	Puppets and Pop Ups This mini creative project explores puppets and pop up books and gives children the opportunity to make their own and use them to tell exciting stories.	
Spring 1	Long Ago This project explores how the children have changed and grown since they were babies and compares life in the past to their lives today	
	Stories and Rhymes This language-rich mini project teaches children a variety of traditional stories and rhymes, and gives them the opportunity to play with words and learn new vocabulary.	
Spring 2	Ready Steady Grow This project teaches children about food and farming and explores themes, including where food comes from, what plants and animals need to grow and survive and the importance of a healthy, balanced diet.	
	Signs of Spring This mini project teaches children about the changes that happen during spring, including how the weather changes and festivals that are celebrated at this time of year.	
Summer 1	Animal Safari This interest-led project teaches children about the animals that live all around the world and the importance of caring for our local and global environments.	
	Creep, Crawl and Wriggle This mini project teaches children about the tiny creatures that live in their gardens and local environment.	
Summer 2	On the Beach This project teaches children about the plants and animals that live at the seaside. It also explores holidays in the past and the importance of keeping safe in the sunshine.	
	Move It This mini project teaches children about the importance of daily exercise to keep healthy and explores the different types of games and activities that they can play outside in summer.
